To schedule an inspection please call 303-582-0426 or email your request to: fire_inspection@cityofblackhawk.org

Fire Inspections will be conducted Monday through Friday.

All inspections must be scheduled 5 days in advance. Inspections received after 5:00 p.m. in accordance with the 5-day requirement will be processed on the next business day.

Any inspection requests outside of the designated business hours will be considered on a case-by-case basis.

The following information must be included with the inspection request:

1. Permit number
2. Property address and location of work area
3. Type of inspection required
4. Contact name and telephone number
5. Incomplete information will delay the inspection process

During the inspection, a person familiar with the inspection requested must be present.

All inspections will be conducted in accordance with the fire codes adopted by the City of Black Hawk.

Black Hawk Fire Department will produce an inspection report for each inspection conducted at the site.

Follow-up inspections will be conducted to confirm that discrepancies noted in previous reports were corrected for compliance with applicable codes.

The Fire Permit Inspection Record **SHALL BE** returned by the applicant to the City of Black Hawk Planning Department at the completion of the Final Inspection.

THE PERMIT INSPECTION RECORD: PERMIT AND APPROVED PLANS SHALL BE ON-SITE AND AVAILABLE FOR THE INSPECTOR; Failure to have the approved plans will result in a dismissed inspection.
