7. PUBLIC HEARINGS:

A. CB1, An Ordinance Amending the City of Black Hawk 2020 Pay Plan

Mayor Spellman read the title and opened the public hearing.

City Clerk/Administrative Services Director Greiner introduced this request for the reorganization of the Public Works Department based on recommendations from the H.R. Green study conducted last year and noted that these changes would ultimately change the salary ranges. The details included in the packet, but she summarized by explaining the current hierarchy of eight direct reports to the Public Works Director, which is very time-consuming; the new structure would include the restructuring of the divisions down to three: engineering, maintenance (Streets, Fleet, and Facilities), and water, so there would only be three direct reports to the Director. She said there are a total of nine new positions, but only two new employees to be hired, which were approved in last year's budget.

Alderman Torres congratulated all who have worked on this. He thought everything was well explained and reasoned, and the solutions were very practical. All agreed it was a lot of work and well done.

PUBLIC HEARING:

Mayor Spellman declared a Public Hearing on CB1, an Ordinance amending the City of Black Hawk 2020 Pay Plan open and invited anyone
wanting to address the Board either "for" or "against" the proposed ordinance to come forward.

No one came forward to speak, and Mayor Spellman declared the Public Hearing closed.

**MOTION TO APPROVE**

Alderman Torres MOVED and was SECONDED by Alderman Johnson to approve CB1, an Ordinance amending the City of Black Hawk 2020 Pay Plan.

**MOTION PASSED**

There was no discussion, and the motion PASSED unanimously.

8. ACTION ITEMS:

   A. **Resolution 20-2020, A Resolution Approving the First Amendment to the License Between the City of Black Hawk, Colorado, and Monarch Growth, Inc.**

      Mayor Spellman read the title.

      Baseline Engineering Planner Esterl introduced this item that was brought to the City's attention by Monarch. She said this is just a housekeeping item to amend the original license agreement from 2016 to add more airspace for their encroachment. She said it turned out to be a little more space of four square feet than was first anticipated.

      **MOTION TO APPROVE**

      Alderman Armbright MOVED and was SECONDED by Alderman Bennett to approve Resolution 20-2020, a Resolution approving the First Amendment to the License between the City of Black Hawk, Colorado and Monarch Growth, Inc.

      **MOTION PASSED**

      There was no discussion, and the motion PASSED unanimously.

   B. **Resolution 21-2020, A Resolution Approving the Agreement of Lease Between the City of Black Hawk as Lessor and Basin & Bend as Lessee**

      Mayor Spellman read the title.

      Finance Director Hillis explained that the previous lessee 7 Healing Stars had moved out of the space at 460 Gregory Street, and this agenda item is for a new tenant for a hunting and fishing store. He said the owner currently has a store in Evergreen, which he plans to close, and he lives in the County.
MOTION TO APPROVE
Alderman Johnson MOVED and was SECONDED by Alderman Moates to approve Resolution 21-2020, a Resolution approving the Agreement of Lease between the City of Black Hawk as lessor and Basin & Bend as lessee.

MOTION PASSED
There was no discussion, and the motion PASSED unanimously.

9. CITY MANAGER REPORTS:
City Manager Cole had nothing to report.

10. CITY ATTORNEY:
City Attorney Hoffmann reported that in the packet was a correspondence that the City had received from the City of Central in response to the City of Black Hawk adopting the Resolution of Substantial Compliance related to the R.S.M. Annexation indicting their preliminary objection to the proposed annexation. He said that he at least strongly disagrees with the position City of Central has taken, but nonetheless, the City did have a productive meeting with Central yesterday and are continuing to discuss the matter with them.

Mayor Spellman added that Council does believe that the County Commissioners are in support of the annexation, so he has reached out to Commissioner Ron Engels and invited him to the public hearing on March 25 to speak in favor of the annexation as the Commissioner from District 1. Mayor Spellman said he believes Commissioner Engels is the appropriate commissioner to come and speak in favor of it and he thinks it is consistent with the County's plan and goal to diversify from gaming, so it is a good opportunity for the County to support this project and the project will certainly drive additional assessed valuation their way, ideally drive more visitation to Black Hawk, and drive gaming revenue, so he said he thinks the County realizes what a win-win this is not just for Black Hawk but also for the County.

11. EXECUTIVE SESSION:
City Attorney Hoffmann recommended item number 2 for Executive Session to discuss potential litigation and intergovernmental relations.

MOTION TO ADJOURN INTO EXECUTIVE SESSION
Alderman Bennett MOVED and was SECONDED by Alderman Johnson to adjourn into Executive Session at 3:13 p.m. to hold a conference with the City's attorney to receive legal advice on specific legal questions, pursuant to C.R.S. § 24-6-402(4)(b).

CITY OF BLACK HAWK
REQUEST FOR COUNCIL ACTION

SUBJECT: Approve Resolution 22-2020, a Resolution approving Amendment No. 5 to the Construction Manager/General Contractor Agreement for the Gregory Street Plaza project. Amendment No. 5 would increase the Guaranteed Maximum Price (GMP) for the purpose of installing rock slope stabilization measures along the north side of the Gregory Street Plaza.

RECOMMENDATION:
If City Council chooses to approve Resolution 22-2020, the recommended motion is as follows: “Approve Resolution 22-2020, a Resolution approving Amendment No. 5 to the Construction Manager/General Contractor agreement dated February 27, 2019 between the City of Black Hawk and Roche Constructors, Inc., increasing the guaranteed maximum price (GMP) by $297,700 for the purpose of installing rock slope stabilization measures along the north side of the Gregory Street Plaza.”

SUMMARY AND BACKGROUND OF SUBJECT MATTER:
City Council approved a Construction Manager/General Contractor (CMGC) contract with Roche Constructors, Inc. on February 27, 2019 to complete preconstruction services for the Gregory Street Plaza project. City Council approved Amendment No. 1 to this Agreement on July 10, 2019 that authorized Roche Constructors to move the McAfee, Woodbury, and Norton Houses off their foundations and procure the precast sections of concrete box culvert necessary to reconstruct the flume between High and Church Streets. On September 25, 2019, City Council approved Amendment No. 2 that authorized building and site construction throughout the Gregory Street Plaza. On December 11, 2019, City Council approved Amendment No. 3, authorizing exterior rehabilitation of the historic church located at 331 Gregory Street. City Council approved Amendment No. 4 on January 22, 2020 for procurement and installation of an elevator at 221 Gregory Street.

The area behind the McAfee, Woodbury, and Norton Houses has recently been excavated, exposing a steep rock face. A rock slope stability evaluation report prepared by Terracon Consultants, Inc., dated February 7, 2020, recommended installation of about 80 rock bolts of various sizes at specific locations throughout this rock face. Additionally, all existing wire mesh will be removed, and new narrow-gauge wire mesh would be installed on the entirety of this rock slope. Amendment No. 5 to the original CMGC Agreement would authorize installation of these stabilization measures. The GMP increase due to the additional scope included in Amendment No. 5 is $297,700, which would bring the overall project GMP to $13,536,052.
