City Attorney Hoffmann provided a brief background on this item.
Kevin Coates from Dill and Dill located in Denver and attorney for the applicant was present to introduce the application and confirm that all Liquor Code criteria had been met.

Also present were James Eisenhauer, Director of Marketing at Isle Casino Hotel Black Hawk, and Rodney Turlan, General Manager at Eldorado Isle Casino Hotel Black Hawk, located at 401 Main Street.

Mr. Coates explained the reason for the Change of Class from Retail Gaming Tavern class to a Hotel and Restaurant class so that the Isle can now offer alcohol in their room service and offer alcohol in closed containers as complimentary gifts. A Retail Gaming Tavern restricted these types of offerings. Mr. Coates said this was the only change and that all operations remain the same. He added that the need and desire for this class of license were evident in the petitions provided by Max Scott of Oedipus, Inc. Empirical Data Services, who was also present for any questions.

Discussion ensued on the Isle’s Promotion Association and Common Consumption Area, and to ensure there are no issues, it was suggested that Mr. Coates would send a letter to the Clerk’s office for their file explaining the change that took place. Deputy City Clerk added that once the State issues the new Hotel and Restaurant Liquor License number, she would follow-up with them to make note of the change to their Common Consumption Area as well.

He added that at the June 26 Council meeting they approved Amendment 1 for a deposit to secure the production slot of the bridge for an early October 2019 delivery. He said they have gotten through about 90% of the CDOT permit process and there is still a little more electrical design left. There were several late added design elements for the bridge, and parking lot and that is the reason for the additional 5%.

Alderman Bennett asked how high the bridge would be and Isbester replied over 17 feet above the road. Alderman Midcap had several
questions regarding mobilization, dewatering and the contractor’s 2 1/2% to which Isbester responded to Council’s satisfaction.

City Attorney Hoffmann reiterated that this was a late addition to the agenda. Steve Jones, attorney for both the Lodge Casino and JIJE was available for any questions. City Attorney Hoffmann said this approval would only allow temporary occupancy of the parking lot before the public improvements were completed, and if the public improvements were not completed by November 20, 2019, then the right to use both the Canyon and Dakota parking lots will be revoked until the public improvements were completed.
