MISSION STATEMENT
The mission of the City of Black Hawk is to progressively provide cost effective programs and services of the highest quality to the community.
Officer Jake Adler is a third generation Rollinsville resident who began his career in law enforcement in 1998. His previous experience includes positions as a Deputy Sheriff, Commander, Police Chief and K9 handler. Jake started his career in Colby, Kansas and later worked in Central City, Nederland and Gilpin County. Prior to his employment with the Black Hawk Police Department he was able to develop a strong working relationship with Black Hawk Officers and knew it was a professional organization. He learned comradery, belief in strong community policing values and core directives were exactly what he was looking for in a police department. Jake recently completed his Field Training Program and enjoys being a part of a professional team. Jake is a single father of two boys who attend Gilpin Schools. They enjoy all the mountains have to offer especially exploring and off road adventures.

City Attorney Hoffmann stated for the record that this is an adoption of code by reference that requires the ordinance to be introduced to Council at a prior meeting, which took place on January 27, 2016, and that notices for the public hearing were published twice, as per Statute.

Fire Chief Taylor introduced this item. He said that the State of Colorado recently adopted the 2015 International Fire Code, and in accordance with Colorado Gaming Statutes, a Fire Department conducting inspections of the casinos are required to maintain current or newer codes than the State has adopted. The State went from 2009 to 2015. Taylor said Black Hawk is currently using 2012 codes, so are now required to move up to 2015, and staff has decided to adopt the whole 2015 International and Model Code series.

Mayor Spellman declared a Public Hearing on CB4, An Ordinance for the Adoption of the 2015 International and Model Code Series open and invited anyone wanting to address the Board either “for” or “against” the proposed ordinance to come forward.

B. CB5-2016, Approving an Intergovernmental Agreement Regarding Snow Removal Services Between the City of Black Hawk and the City of Central

Mayor Spellman read the title and opened the public hearing.

Public Works Director Isbester explained how this item came about. He said historically Public Works plow truck drivers were turning around on private property just outside city limits and he directed them to continue up to D Street in Central City to turn around on a public road. Isbester said his drivers would like to put their blade down to help out the residents while they are turning around and an IGA would be required to offer that service.

City Attorney Hoffmann reiterated from the agreement that “this limited service will be considered secondary and supplementary to Central City, and the primary responsibility for any and all maintenance of these roadways within Central City shall remain with Central City.
Black Hawk shall have no obligation to provide such limited snow removal services if it is unable to do so for any reason, and such inability shall not be deemed a breach of this Agreement.”

Council had discussed this and determined that the arrangement would work for the remainder of this winter season and then should be readdressed. Mayor Spellman added that this would be an opportune time to meet with Central City regarding the future plowing of Gregory Street due to the realignment and redevelopment project, for the benefit of both Cities.

PUBLIC HEARING: Mayor Spellman declared a Public Hearing on CB5, Approving an Intergovernmental Agreement Regarding Snow Removal Services Between the City of Black Hawk and the City of Central open and invited anyone wanting to address the Board either “for” or “against” the proposed ordinance to come forward.

No one came forward to speak and Mayor Spellman declared the Public Hearing closed.

C. Local Liquor Licensing Authority Consideration of a New Tavern License for Jan’s Tavern, LLC dba Jan’s Tavern, 101 Gregory Street, Unit #1

Mayor Spellman introduced Council as the Local Liquor Licensing Authority, read the title, and opened the public hearing.

City Attorney Hoffmann introduced this item and reminded Council that they are to determine two factors: is the applicant eligible to hold a liquor license; and are the needs and desires of the neighborhood not currently being met.

Z Casino VP of Marketing Joe Behm and Manager Dodd Hanneman were present on behalf of the applicant. They made their case and said they believe the needs of the neighborhood are not being met in the north end of the City and this liquor license would be part of a Promotional Association.

PUBLIC HEARING: Mayor Spellman declared a Public Hearing on a New Tavern License for Jan’s Tavern, LLC dba Jan’s Tavern, 101 Gregory Street, Unit #1

A. Local Liquor Licensing Authority Consideration of the Certification of a Promotional Association and Common Consumption Area for Z’s Promotional Association, LLC

Mayor Spellman read the title and reminded Council they were still acting as the Local Liquor Licensing Authority.

City Attorney Hoffmann reminded Council of the requirements to hold a Promotional Association/Common Consumption Area.

Z Casino VP of Marketing Joe Behm and Manager Dodd Hanneman were present on behalf of the applicant and reiterated that they don’t believe the needs and desires of the neighborhood are being met in the north end of the City at this time. Mayor Spellman asked if they believe this approval would increase visitor velocity to the City, to which they replied they do.

Alderman Bennett MOVED and was SECONDED by Alderman Johnson to approve the Certification of a Promotional Association and Common Consumption Area for Z’s Promotional Association, LLC.

MOTION PASSED
There was no discussion and the motion PASSED unanimously.

B. Resolution 9-2016, A Resolution Approving a License Agreement Between the City of Black Hawk and Josh Smith

Mayor Spellman read the title.

Community Planning and Development Administrative Assistant Lang introduced this item. She said the applicant is participating in the Historic Restoration and Community Preservation Program and it was discovered that three bridges crossing Chase Gulch encroach into the
Chase Street right-of-way. She said this agreement just acknowledges the encroachments.

**MOTION PASSED**

**C. Resolution 10-2016, A Resolution Amending the City of Black Hawk Fee Schedule Regarding Fees for Structural Engineering Review**

Mayor Spellman read the title.

Community Planning and Development Administrative Assistant Lang explained that this amendment to the fee schedule is to distinguish between new construction and anything other than new construction, as new construction requires a third party review, which generates higher review fees.

**MOTION TO APPROVE**

Alderman Torres **MOVED** and was **SECONDED** by Alderman Johnson to approve Resolution 10-2016, A Resolution Amending the City of Black Hawk Fee Schedule Regarding Fees for Structural Engineering Review.

**MOTION PASSED**

I. Resolution 16-2016, A Resolution Temporarily Rebating Parking Impact Fees for the Development of Hotels and Other Amenities

Mayor Spellman combined items 9F through 9I and read the titles.

City Attorney Hoffmann said that a concern had come up in regards to Resolution 15-2016 providing waivers to any commercial projects. Hoffmann said it has come to staff’s attention that some businesses may not be pulling the necessary building permits required by the City and the Resolution as it stands now would be rewarding their projects with tax incentives. He said in order to be observant of this discrepancy, a new Section four has been recommended that would read as follows, “No project shall be entitled to receive any of the incentives set forth herein if necessary building permits are not obtained in advance of the work requiring the issuance of such permits, in conformance with the uniform building codes as adopted by the City from time to time.”
