A resolution approving participation in a Multi-Agency Grant through the North Central Region for the replacement of breathing apparatuses.

Staff recommends the following motion to the Mayor and Board of Aldermen: Approve participation in the joint grant and utilization of existing department funds to provide grant match.

Resolution 12-2015 A resolution approving participation in a Multi-Agency Grant through the North Central Region for the replacement of breathing apparatuses.

Currently the Fire Department is utilizing breathing apparatus (SCBA’s) which are manufactured under the 2002 NFPA Standard. These SCBA’s are not interoperable with our adjoining agencies. This means we cannot exchange bottles or utilize “buddy breathing” techniques in the event of an emergency with a member of an outside agency. All other agencies are interoperable with the exception of us due to the brand and age of the apparatus.
