# PORCHLIGHT A FAMILY JUSTICE CENTER

#### Off-Site Partnership Memorandum of Understanding

This Off-Site Partnership Memorandum of Understanding (MOU) dated for reference purposes June 9th, 2021, is by and among The Black Hawk Police Department (the Participant), and PorchLight, a Family Justice Center ("PorchLight" and together with Participant, the "Parties"). The Parties, and other partner agencies and organizations entering into MOUs with PorchLight (the "Partners"), intend to work cooperatively and collaboratively at the Family Justice Center (the "Center") to improve the lives of those who are impacted by domestic violence, sexual assault, elder abuse, child abuse, at-risk individual abuse, and human trafficking by facilitating better access to services and staff of community organizations and government agencies in a single, safe location.

To facilitate the operation of the Center, the Parties are entering into this Off-Site Partnership MOU to establish the expectations and commitments of the Parties.

There are times when agencies are unable to commit to having full or part-time staff at the Center. When this occurs, there is an increased need to establish an effective and efficient method of referral so that Guests of the Center ("Guests") receive the services needed. The Participant agrees, whenever possible, to provide services at the Center; however, when that is not feasible, the Parties agree to establish a standard referral process to provide the needed resources and services.

The Parties intend to offer needed resources and services, increase collaboration among the Partners, and enhance safety, efficiency and justice for Guests. The Parties recognize that while there are differences in each Participant's mission, role and legal mandates, there is value and increased impact by working cooperatively and collaboratively with a community of service providers at the Center.

This MOU sets forth the general understanding between the Parties regarding the operation of the Center and the ways in which Participant will provide services to, and participate in, the Center, recognizing that the individual MOUs with other Partners will vary, consistent with the goals and objectives for the Center.
